Now we are organizing a one day seminar on:

CHALLENGES & INNOVATIVE SOLUTIONS IN MODERN CONSTRUCTION PRACTICES!

28th January,
Wednesday,
2015

J.P.Hotels,
Koyambedu,
Chennai.

9:30AM -
5:00PM

Program focus:

Knowledge Updating is the key for any individual. In particular, the ever dynamic, ever vibrant construction industry, new challenges, new methodologies, new materials, new systems are being researched and developed to cope with the ever increasing demands of this modern world.

Update yourself with the Latest Challenges and Solutions through innovative effective construction techniques which are being practiced around the globe and in India. These techniques will be detailed by industry experts; will further add value to your knowledge base. These cost effective techniques and systems will help your real estate business and increase the bottom line. Explore the areas to learn effective latest techniques, best practices, and gain insight into how to best leverage your solutions to meet your construction and business needs.

The program will extensively engage in the following aspects and domains:

- 1.Challenges in Designing & Detailing
- 2.Quality Assurance & Effective use of Modern Materials.
- 3.Efficient Project Management & Cost Control systems.
- 4.Challenges & Solutions in Repair & Rehabilitation.

The above topics will be dealt with by the industry experts and thought agents.

We are sure that all the participants will be able to carry back a repository of knowledge particularly in the project management in the modern real estate industry scenario. The acquired knowledge through this will enhance not only the participant's knowledge base and also will percolate to improve the profitability of the organization. The seminar will trigger and spearhead the tips and techniques in the modern scenario, the forward thinking ideas and strategies which are in vogue around the globe will surely be a value addition to the participating organizations and individuals.

This program will be useful even to the fresh minds who are in the real estate industry who have the determination and willingness to climb the corporate ladder quickly. Also this program will be useful for Architects, Consultants and Project Management Specialists, poised to carve a distinct niche for themselves amongst their co-professionals.

We are sure you will utilize this great opportunity in enhancing your / organization's learning curve.

Look forward to your positive response and to meet you in person at the program.
