organizing a one day seminar on

## **COST EFFECTIVE MODERN CONSTRUCTION SOLUTIONS**

**Date:** 31st January, Friday, 2014

**Time:** 9:30 am - 5:00 pm

**Venue:** J.P.Hotels, #1131, Inner Ring Road, Koyambedu, Chennai.

**RESOURCE** is a multifaceted group having divisions in organizing market specific seminars and symposiums, organizational training and marketing consultancy. We are very much known to the industry luminaries from 1993 onwards.

We have organized earlier successful programs like :

- “Cost Effective Construction – Through Better Project Management Methods”
- “Innovative Construction Techniques & Methodologies”
- “Modern trends in Construction Process” .
- “Recent Trends in Construction Management”
- “Issues & Solutions in the Construction of High Rise Buildings”
- “Successful Marketing Strategies & Selling Techniques of Real Estate in India and Abroad”

## **PROGRAM FOCUS:**

Knowledge Updation is the key for any individual. In particular, the ever dynamic, ever vibrant construction industry, new methodologies, new materials, new systems are being researched and developed to cope with the ever increasing demands of this modern world.

Update yourself with the Latest cost effective construction techniques which are being practiced around the globe and in India. These techniques will be detailed by industry experts, will further add value to your knowledge base. These cost effective techniques and systems will help your real estate business and increase the bottom line. Explore the areas to learn effective latest techniques, best practices, and gain insight into how to best leverage your solutions to meet your construction and business needs.

This seminar will extensively engage in the following aspects and domains:

- **Designing & Planning from Basics to Completion.**
- **Construction Techniques & latest updates.**
- **New Construction Materials & Systems**
- **Cost Effective Quality methodologies including Repairs & Maintenance.**

The above topics will be dealt by the industry experts and thought agents.

We are sure that all the participants will be able to carry back a repository of updated technical knowledge from this seminar. The acquired knowledge through this will enhance not only the participant's knowledge base and also will percolate to enrich the profitability of the organization.

This seminar will trigger and spearhead the tips and techniques in the modern scenario, the forward thinking ideas and strategies which are in vogue around the globe will surely be a value addition to the participating organizations and individuals. This program will be useful even to the fresh minds who are in the real estate industry who have the determination and willingness to climb the corporate ladder quickly. Also this program will be useful for consultants and project management specialists, poised to carve a distinctive niche for themselves amongst their co-professionals.

We are sure you will utilize this great opportunity in enhancing your / organization's learning curve.

**Look forward to your positive response and to meet you in person at the program.**
